

Pray for Austin

Adopt your street.

Why pray?

- God envisioned **PEOPLE** who care about their communities.
- To unite **PEOPLE** in neighborhoods to support & encourage one another.
- To support the work God is doing & to share His blessings in areas of need.
- To raise the spiritual level of the city of Austin.
- To bring the **PEOPLE** of Austin to Christ.

How it works:

- Log on www.abbaconnect.net & commit to **adopt-a-street** for one year.
- Prayerfully walk your street & ask God how He can meet needs.
- Each person in the city is experiencing prayer for God's blessing in their life.
- Central Texas will become a House of Prayer.

Two years ago, Newark, NJ was known as the murder capital of the US. During the first year the city adopted 33% of their streets in prayer, the murder rate went down 33%. Currently, Newark has adopted 46% of their streets in prayer & this year, their murder rate dropped 46%! Learn more at www.prayerfornewark.org.
